## carrying case

Transport your VIDACASA solutions with ease by gearing up with a selection of durable and insulated carrying cases.

The CC221214 comfortably accommodates the HeatBlaster Instant Hot Catering Solutions, in addition to the Universal Buffetware, with style.

The CC-8X is custom designed to fit up to 8 Hot Cells or Cold Cells - or a mix of the two!

Both cases are multi-functional and can double as a delivery bag for keeping food hot on-the-go!

## key features

Poly batting insulation on all sides of the bag to keep foods at the proper temperature during transport

Made of heavy-duty, water-resistant durable nylon with heavy stitching and reinforced straps

Top and front load design creates a broad area for quick loading and unloading of containers

Hardboard bottom offers added stability while a hang-up loop makes for efficient storage

Heavy-duty, reinforced carrying straps promote safe, comfortable carrying to and from destinations

Transparent ID window is the perfect place to carrier contents, house menus or coupons

Velcro® straps ensure quick opening and closing of the bag

Space saving collapsible design
