# WARRANTY INFORMATION

Our Limited One-Year Manufacturer's Warranty covers any and all original defects in workmanship and materials to the original owner.

VIDACASA® will provide replacement of all parts shown to be defective in material or workmanship during a period of 12 calendar months from the date of purchase by the original purchaser. To obtain a warranty replacement of a part, the unit must be returned with original proof of purchase receipt to VIDACASA® and thereafter recognized as defective after examination by the technical services of the aforementioned company. The unit must be sent to VIDACASA® prepaid, but will be returned free of charge if found to be covered under warranty.

This warranty only covers circumstances where the part has failed due to defects caused by the manufacturing process.

This warranty is invalid if the defects are found to be due to the product's misuse, inappropriate use of tools, lack of maintenance, defective installation, environmental accidents, or corrosion by foreign bodies and liquids found within or in proximity to the unit. The aforementioned company declines any responsibility if the unit is used under conditions outside of its operating tolerance as indicated herein. There is no warranty express or implied relating in any way to products used in conjunction with VIDACASA® products.
